

## SHOALS™ CABLE MANAGEMENT SOLUTION CONTRACTOR TOOL

### FEATURES

- Strong and robust to withstand everyday wear and tear
- All-metal construction, combined with soft, molded grips for comfortable and efficient use
- Works with wire up to 6mm diameter
- Quick-release cam allows for easy positioning of the tool on the wire
- Long, gear-driven handles provide a 10:1 mechanical advantage, which allows tensioning with minimal effort

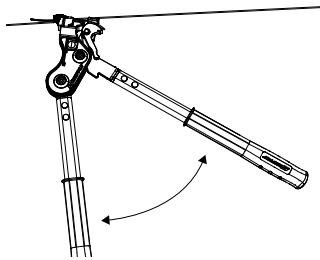

### TIPS

- Regularly lubricate the cam area for smooth operation
- Replacement cam sets are available should the teeth wear
